We are Kirei Wash & Beyond –
the 1st premium eco-laundromat in Indonesia, est. 2019.
We proudly introduce *#DailyKiloEcoWash*
as our signature service, focusing on Kilo Laundry.

#DailyKiloEcoWash includes Pre-Wash, Eco-Wash,
Post-Wash, and Eco-Pack.

Our detergent is derived from Coconut Oil; it is organic and biodegradable. We eliminate the use of single plastic for laundry packaging. We introduce *#KireiBox* – a durable and reusable laundry packaging.

Elevate your standard of Kilo Laundry.

PS: *#KireiBox* is reusable and intended to store clean laundry only, we advise our customers to always return them after every use. Please **do not** put dirty laundry inside *#KireiBox*.
